Data Annotation & Labeling · Model Evaluation & Human Feedback · Transcription & Speech Data

Offshore Team Setup

Build-Operate-Transfer · Dedicated Offshore Team

HOW IT WORKS

- 1 Recruit.** We source, screen and interview against a profile you approve.
- 2 Onboard.** Contracts, equipment, access, and training on your product and processes.
- 3 Manage.** Team leads, rosters, quality checks and coaching every day.
- 4 Pay.** Salaries, benefits, payroll taxes and employment compliance for your team, handled by us.
- 5 Improve.** Weekly metrics, monthly reviews and a plan to do better each quarter.

WAYS TO ENGAGE

- Dedicated team** · Monthly fee per seat
- Managed service** · Outcome or volume-based
- Staff augmentation** · Monthly fee per person
- Project** · Fixed scope or time and materials
- Employer of record** · Monthly fee per employee
- Build-operate-transfer** · Set-up, run and transfer fees agreed up front

YOUR HOURS, WHEREVER YOU ARE

United States & Canada

Your day is India's night: night-shift teams for live overlap, day teams for overnight delivery.

United Kingdom & Europe

An India afternoon-to-evening shift spans your whole working day.

Australia & New Zealand

An early-morning India shift covers most of your business day.

Middle East

An India day shift: practically full overlap.

WHY INSIDERONE

- One partner for the whole lifecycle:** recruit, onboard, manage, pay and improve, under one contract and one invoice.
- Start with a pilot:** one to three people on one process, judged on agreed numbers, then scale.
- Your controls:** work inside your systems, named access, NDAs and your data processing agreement signed.
